Scholarship Application Part II - To Be Completed by High School Principal or Counselor

The Saint Bonaventure Scholarship Program provides grants annually to students who have demonstrated a combination of academic achievement and active participation in their faith, parish, and school communities. It is important that we receive as complete a record as possible to ensure all considerations have been given to each candidate. This scholarship program was founded by an endowment from former parishioners Ed and Rita Pidde in 2000 and has continued to grow through the generosity of our community at Saint Bonaventure.
